4. Dallas County Financial Management System – Oracle Fusion Updates

GMD-Fiscal Unit sent an email notifications to our Ryan White grantors with updates on Oracle Fusion on June 30, 2023.

Dallas County has implemented a new financial system (Oracle Cloud Fusion) as of May 1, 2023. As a part of this new financial system, Dallas County Auditors' Office has implemented a sub ledger for all Grants Projects. We have several issues that we are facing after Go-Live We are hoping by the end of August 2023, we will have our issues resolved and able to report our expenditures.

Oracle Fusion New Supplier Portal: An email notification went to sub-recipients on May 30, 2023 with the initial letter submitted to all Dallas County Vendors on December 20, 2022.

Attached is a letter that has been sent to all suppliers to get setup in our new supplier portal www.dallascounty.org/supplier . Each supplier that is currently setup with Dallas County should click on the gold box on the webpage to set up their banking information "Already Registered." For all existing suppliers, their email address with Dallas County is their user ID. They will click on forgot password, then submit. This will allow them to reset their password. Then, they can go in and setup their banking information and additional contact information. If their email does not match ours that we have for them, the User ID will not work. If there is an issue, they can contact us at supplierportal@dallascounty.org.
