# ANNUAL REPORT

INTEGRITY - OUT LOUD

PROFESSIONALISM - OUT FRONT

ACCOUNTABILITY - IN ALL

# MESSAGE FROM

## Marian Brown,

### Dallas County Sheriff

Hello, Dallas County Residents:

The Dallas County Sheriff's Office is proud to introduce the first annual report in the history of the department. One of the questions I tasked my Executive Administration to answer was, "How can we inform communities, stakeholders, and the public about the services and day-to-day operations of our department?" In result, the annual report project was created.

After being appointed in 2018, I created core values for our department. Our core values are Integrity...out loud, Professionalism...out front, and Accountability... in all. The annual report is our evidence of accountability.

By statute, the Dallas County Sheriff's Office is responsible for managing the care, custody, and control of individuals who have been charged with a criminal offense. The men and women of the Dallas County Sheriff's Office provide much more than jail services. Outside of our custody responsibilities, we have many other services we provide to the community. For example, you may encounter a Deputy Sheriff that administers tickets on highways throughout Dallas County, or you may meet a Courtesy Officer whose sole job is to help stranded vehicles get back on the road.

In years 2020 and 2021, the world paused due to a national pandemic. COVID-19 highlighted the medical services available to individuals charged to our care. While navigating the pandemic, our department responded to record-breaking numbers of calls for service and worked hard to focus on meeting our obligations related to our annual jail inspection.

It is my hope to continue to engage the communities we serve with a quantitative overview of the Dallas County Sheriff's Office. We hope you enjoy the information provided.

Intentionally Submitted,  
Sheriff Marian Brown

INTEGRITY - OUT LOUD
