**Property Tax 101 Community Presentations**

**Join Us for a Community Presentation!** The Dallas County Tax Office and the Dallas Central Appraisal District are partnering to offer Property Tax 101 Community Presentations throughout Dallas County beginning February 28<sup>th</sup> and continuing until April 11<sup>th</sup>. The presentation will be hosted by, and in coordination with, various Town Hall and County events, and will offer important information regarding your property taxes. This presentation will focus on how the Texas Property Tax System works; how to efficiently protest your value; and payment deadlines to avoid penalties.

The presentations will be led by Dallas County Tax Assessor/Collector, John R. Ames, and the Dallas CAD Director of Appraisal Services, Shane Docherty. Mr. Ames states "We will be focusing on giving you information that will allow taxpayers to know the deadlines and best way to present information when they protest their values, and to also know the deadlines and options which are available for paying their taxes."
