

TREASURY NOTES

THANK YOU FOR ATTENDING THE NATIONWIDE: PLANNING FOR TOMORROW EVENT

Thank you to all who attended the Nationwide: Planning for Tomorrow Event on Wednesday, May 21st. Thank you to Commissioner Dr. Elba Garcia and her team for hosting and helping with the event and to County Treasurer Pauline Medrano. We hope you were able to learn more about your Healthcare and how to manage your Taxes during your retirement. Don't worry, if you missed the conference, check out the presentation and handout flyers on the employee bulletin board. See a snippet of the information below:

-If you contribute to either the Roth 401(k) or Roth 457(b) options within your savings Plus account, you're creating a future source of tax-free income in retirement.

-Plan for Health care cost in retirement due to inflation and increased longevity will drive up health care expenses

Dr. Elba Garcia

Dallas County
Commissioner District 4

Jose Garza, Will Angus, Pauline Medrano, Roberta Eckert, Michelle Murphy

THREE SOURCES OF INCOME IN RETIREMENT

There are 12 Reserve Banks that serve as the operating arms of the Federal Reserve System

(below) Jaime playing Jumbo Jenga with Federal Reserve Money facts

To exit the Federal Reserve, you must step into a tube! See Callie and Nicolas above!

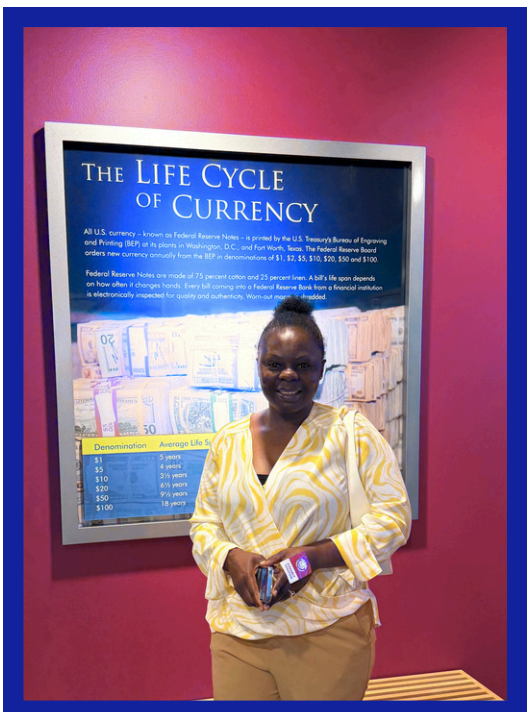

A normal sheet of paper can withstand about 400 folds before it breaks. A dollar bill can be folded at least 8,000 times.

Lunch at Sammy's BBQ. Yum! Yum!

The average lifespan for a \$1 is 5.8 years. The longest is 15 years for a \$100 bill.

(Left) Emeline Shu

Congratulations to Reina Reyna, Program Analyst for being the first in the Treasurer's Office to graduate from the Dallas County Leadership and Management Academy!
