Contribution Limit 2026 Update

Nationwide

In regards to plan 457(b):

The normal contribution limit for elective deferrals to a 457 deferred compensation plan is \$24,500. Employees age 50 or older may contribute up to an additional \$8,000 for a total of \$32,500. Employees taking advantage of the special pre-retirement catch-up may be eligible to contribute up to double the normal limit, for a total of \$49,000.

AT A GLANCE

Plan Type	Standard	Age-Based (50+) catch-up ²	Special age-based (60-63) catch-up ²	Traditional catch-up
457(b) Plan	\$24,500	\$8000	\$11,250	\$24,500

Exciting news for employees, Participants may notice changes to their account overview page once they log into their account, including a new design and a new “net worth” widget based on their My Income Retirement Planner (MIRP) data. The goal of this update is to make the interface modern, intuitive and scannable so participants can have a clearer view of their financial picture.

Water Conservation Programs

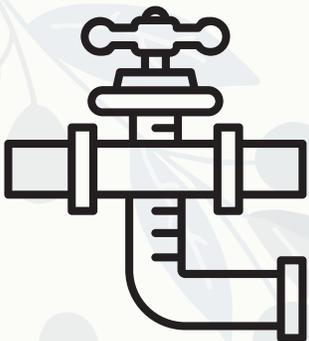

We hope everyone was safe and warm during the ice storm we had. Here are some Program through the City of Dallas that can help with making a difference in water conservation.

Minor Plumbing Repair Program

- Assist with minor plumbing problem that may result in water leaks and higher water bills

Home Toilet Replacement Program

- Receive a physical toilet through the voucher program or receive a rebate of \$90 per toilet
