

Do your part to **PREVENT** West Nile Virus

Mosquito season in Dallas County is from May to November.

DEFEND

against West Nile using 4Ds:

DEET All Day, Every Day

Whenever you're outside, use insect repellents that contain DEET, picaridin or oil of lemon eucalyptus.

DRAIN

Remove all areas of standing water in and around your home. Change water in wading pools, pet dishes and birdbaths several times per week.

DRESS

Wear long, loose and light-colored clothing outside.

DUSK & DAWN

Stay indoors during dusk and dawn hours when mosquitoes are most active.

Call DCHHS' Environmental Health Division at **214-819-2115** or log onto dallascounty.org/westnilevirus for more information.
